ENGLISH

Language Integrated with Art

“A plate of great Indian food is like a celebration for your senses.” Keeping this thought in mind, ask your mom to cook a traditional dish for you. Now, record a short video with a speech on that dish including information about:

- Its name
- Ingredients used to prepare it
- Recipe to prepare it
- Why do you like it?

Also, draw a picture of the dish and note down the above information in an A4 sheet.
(Post your video in the Class WhatsApp Group)

Reading Space

Reading is important because it develops the mind. It also helps to develop language skills. So, read any interesting story book and fill in the format given below.
