**LUDHIANA**

**(August Edition 2023)**

"Education is a great leveler and is the best tool for achieving economic and social mobility, inclusion and equality."

Each student is a unique individual with different strengths, goals and needs. Darshan Academy's radically different approach shifts away from general syllabus- based learning to unique need- based learning by catering to different learning styles of the students. This helps all students to excel in one or the other field. The excellent board results in class 10th and 12th and bagging of several prizes in sports by the students, shows our commitment to foster a well-rounded education. I congratulate all staff members, students and parents. At the same time, I extend my heart felt gratitude to each one of you for your contribution towards our achievements. Let us continue to strive for excellence and work hand in hand to empower our students to become responsible and compassionate leaders of tomorrow.
